KOS International Payment Readiness Checklist

Preliminary intake only. Do not enter bank account numbers, tax IDs, or identity-document numbers.

COUNTRY AND PAYMENT DIRECTION

Applicant and proposed payment

Applicant / business legal name

Country of registration / residence

Proposed role (seller, creator, trainer, facility, other)

- [ ] I may need to pay KOS (course, license, services, or production invoice).
- [ ] I may receive a payout from KOS or a payment provider.

Preferred methods to evaluate (not guaranteed)

- [ ] Card / online invoice
- [ ] Local bank transfer / local payment method
- [ ] International wire / SWIFT
- [ ] Payment-provider connected payout
- [ ] Other method (describe below)

Preferred invoice / payout currency

Bank country only (no account details)

Payment timing, currency, or route needs

KOS International Payment Readiness Checklist

Preliminary intake only. Do not enter bank account numbers, tax IDs, or identity-document numbers.

SECURE VERIFICATION AND PAYMENT TERMS

Documents KOS may request after preliminary approval

- Proof of business registration and authorized signatory, through a secure verification channel.
- Tax documentation appropriate to the payee and payment type. U.S. and foreign persons use different IRS forms; KOS or its tax adviser will identify the correct request.
- Payment-provider identity and beneficial-owner checks, if required by that provider.
- Bank or payout details only inside the approved bank or payment-provider onboarding flow. Do not email them or place them in a general website form.
- Sanctions and country eligibility review before any payment route is activated.

Important payment limits

KOS will confirm separately whether it is collecting a fee, receiving an invoice payment, or paying a partner. Provider availability, eligible countries, currencies, settlement times, fees, refunds, and required documents vary by route. A wire-transfer request is not payment approval. No payout or wire instructions are issued until the business, payee, tax classification, and payment route are approved.

☐ I understand this checklist does not collect or authorize bank details or a payment.

☐ I understand that KOS must approve the country and payment route before money is sent or paid out.
